Subject: Application for Multiple-Entry Schengen Short-Stay Tourist Visa (Type C)

Applicant: Jean Aristide Belleza Aquino | Philippine Passport: P8863141A (Valid until 23 Sept 2028)

Continuous Schengen Journey: 15 December 2026 – 04 January 2027 (Main Destination: France)

Dear Visa Officer,

I am formally submitting my application for a Multiple-Entry Schengen Short-Stay Tourist Visa (Type C) for an upcoming European winter holiday spanning 15 December 2026 to 04 January 2027. Following the passing of our parents in 2009 and 2019, our maternal aunt, Maria Leonora Belleza Mancebo (British Citizen), has stood as our primary parental figure. She is currently undergoing medical care for Stage 4 metastatic breast cancer at the Southampton Oncology Centre, University Hospital Southampton. A central purpose of our trip is to visit, assist, and spend the holiday season with her at her residence in Southampton. I will be accompanied throughout by my sister, Avery Sinclair Belleza (Australian Citizen). When her health allows, our aunt also intends to join portions of our European itinerary. Because our journey enters and returns via the UK, a multiple-entry visa is respectfully requested.

1. Primary Destination Justification (Article 5(1)(b) Schengen Visa Code)

Pursuant to Article 5(1)(b) of the Schengen Visa Code, **France represents our principal destination**. Across our continuous 18-night Schengen stay, our longest overnight stay is in **Paris, France (5 nights: 29 Dec 2026 – 03 Jan 2027)** at *Break & Home Paris Italie Porte de Choisy* (reserved under my name). Additionally, we spend 2 nights in Kehl directly dedicated to exploring the Alsace region of France (Strasbourg Christmas Capital and Colmar), bringing our total France engagement to 7 nights.

2. Applicant Profile & Strong Ties to the Philippines

I am employed as a full-time **Data Scientist at ADVINTEL, INC. (ADVANCE.AI)** in Makati City, earning a gross monthly salary of **PHP 200,000**. My employer has fully approved my official leave of absence from 12 December 2026 to 10 January 2027, with my position awaiting my immediate return. I hold an MBA in Data Science and actively administer family real estate assets in Cavite. My international travel history demonstrates complete and verified compliance across Taiwan, USA, United Kingdom, Australia, New Zealand, and Canada.

3. Financial Solvency & Trip Funding

My total personal liquid assets exceed **€17,594 (approx. PHP 1,120,000+)** maintained across HSBC AU (€13,634.23), BPI BanKo (€3,817.65), BDO, Maya, and MariBank, supplemented by long-term investment policies. My individual share of trip expenses is conservatively estimated at **AUD 3,347.07 (~€2,050)**. My sister Avery has independently funded our shared accommodation bookings (transferring 4,500 AUD to our dedicated joint logistics account), and all remaining flights, inter-city sleeper FlixBus journeys, and activities are fully confirmed or budgeted.

Respectfully yours,

Jean Aristide Belleza Aquino
